WORK EXPERIENCE

"Not just a cog in the color wheel."

2015

Ohio Department of Veterans Services, Columbus, OH

Visual Communications Specialist | 09.10 - present

- Created the department website and maintained on a daily basis.
- Designed promotional marketing materials [posters, brochures, event programs, resource guidebooks, displays, interactive kiosks].
- Established and maintained social media channels [Facebook, Twitter, YouTube and Flickr].
- Served as photographer and videographer at events and created final photos and films from captured stills and video footage.
- Supervised the IT staff in the department's Columbus office and wrote department procedures and how-to tutorials.

American Computer Estimating, West Chester, PA

IT Supervisor, Graphic & Web Designer | 08.01 - 09.10

- Designed marketing materials [postcards, brochures, displays].
- Created company website user interface and monitored activity.
- Provided computer support and training for office staff.
- Built and deployed workstations and updated software apps.
- Provided consultation to third-party clients concerning hardware, software and networking issues.
